BIG CLIENTS:

The BIG Corp is very proud to work with the finest and most respected brands in the consumer electronics industry. The following is a partial list of some of the clients we have the pleasure of working with at The BIG Corp:

Savant

Founded in 2006, Savant was first to market to embrace mobile technology in home automation. Savant control systems offer unparalleled experience of controlling lighting, climate, entertainment and security from a single intuitive app. The inventive, easy-to-use and future-friendly products create a unique user experience that customers will enjoy for years and beyond. www.savant.com

Russound

Since 1967, innovation, quality and reliability have been the pillars of Russound's product tradition of offering products and expertise customers need to enjoy multiroom audio and video systems in the home. With almost 50 years' experience, Russound continues to cater to installation professionals and their customers by pairing powerful systems with intuitive controls to give customers high-performance, easy-to-use solutions. www.russound.com

NEAR

Nothing comes closer! Rugged durability meets high fidelity. NEAR has been perfecting premium outdoor speakers for over 25 years. Superior materials and technologies ensure consistent high performance and reliability even under the most extreme conditions. "Our speakers' sound quality rivals that of the finest indoor audiophile grade audio systems". NEAR offers a wide variety of bracket-mount, on-ground and in-ground loudspeakers and subwoofers. www.nearspeakers.com

SIM2 Multimedia

Founded in 1995, SIM2 is an Italian manufacturer of award winning home theater products and of high-performance large screen systems as well as professional projection systems for E-cinema applications. SIM2's vision is to deliver images that will become life's driving passion, an inspiration to the human experience, and a vital working tool. "We strive for excellence every day in all we do, with care and attention applied to the smallest detail."

Klein Tools

Since 1857 Klein Tools, a family-owned and operated company, has been designing, developing and manufacturing premium-quality, professional-grade hand tools. The majority of Klein tools are manufactured in plants throughout the United States and are the number one choice among professional electricians and other tradespeople. www.kleintools.com

Waterfall Audio

Located in the south of France, Waterfall Audio is a designer of high performance two channel audio and home theater speakers. Renowned for their unique glass, floor standing loudspeakers, they continue to expand their product line with innovative new solutions. All speakers are hand assembled by expert Craftsmen in Carçes, France. www.waterfallaudio.com

iRoom

Founded in 2008 in Austria, iRoom is the inventor of the in-wall iPad docking station. As an Apple-certified manufacturer, iRoom delivers high-quality, reliable award-winning docking solutions. The broad product line spans from simple wall-mount and tabletop models to motorized models for convenient iPad release to the flagship products with built-in control processors. www.iroomsdock.com
